Document One

Here we have a page
that is full of
information. It has
part of it that is a
'view port'

into another
part of the virtual
space, in this case
another document
which is located
spatially to the right.

912a

Over here a second page is
located spatially to the right of
the first page. As you can see
the user can get to this page
two ways 1. By panning to the
right or 2. By flying through the
visual wormhole and being
'teleported' over here. Of
course the experience would
appear analog and seamless.

Document Two

Over here a second page is
located spatially to the right of
the first page, as you can see
the user can get to this page
two ways 1. By panning to the
